**Re: Futel Phone At Ghost Mountain**

Ghost Mountain is excited to increase Woodstock's access to community services and public art by partnering with Futel to install one of their famous phones on our property.

Ghost Mountain is a not-for-profit live/work community space in SE Portland's Woodstock neighborhood. Since 2013, we have operated a makerspace, free pantry and event space out of a historic building on Woodstock's main boulevard.

We are proud to keep Portland weird while also supporting the livelihoods of our immediate community members. Our free pantry is donation-based and feeds well over 100 people/day. Adding a free and accessible Futel phone is a natural evolution of the space.

Sincerely,

Chris Contolini  
Ghost Mountain owner/operator
